

Xat'sūll First Nation Housing & Community Survey

Attention: Xat'sūll First Nation Members

Xat'sūll First Nation is seeking a comprehensive housing plan to identify current gaps by examining on reserve housing characteristics, housing need versus demand, membership well-being, and opportunities.

The distribution of a detailed **Community Survey** is a key element of this engagement. Results from this survey will directly inform the Housing Plan and allow Xat'sūll Chief & Council and Administration to better meet the current and future needs of membership.
