

STRATEGIC PLANNING SURVEY

Hello Xatsúll members & staff,

The Chief and Council have launched a strategic thinking process to establish their priorities and accountability for results for the next four (4) years. The deadline for the survey is July 31.

Please take 10 to 15 minutes to answer the following questions, anonymously, privately and independently. Your input will communicate the community's aspirations and insights for discussion and reflection throughout the strategic thinking process. You will help inform Xatsúll's Strategic Plan, which will be shared in the fall.

Paper copies are available at the front desk for anyone who prefers that option.

In addition to the survey, we are having Strategic Planning Sessions. For more information, please visit xatsull.com or check out the Strategic Planning Sessions Poster.

If you have any further questions, please email Chloe Waind at chloe@newleafperformance.ca or call 226-338-5878.
