

NALOXONE TRAINING & LUNCH

Join us and our Community Health Nurse from
12:00 -1:30 p.m., September 19 at the Health
Boardroom to learn more about the overdose crisis
and how to recognize and respond to an opioid
overdose.

There will be door
prizes and rides
are available.

For more
information and to
sign up, call Health
at 250-989-2355
or email Janae at
chr@xatsull.com

YOU CAN
SAVE a LIFE
WITH a SPRAY

Naloxone (Narcan®), given as a nasal
spray, can reverse the effects of an
opioid overdose and **Save a Life**.

Opioids include prescription pain killers like Vicodin,
OxyContin, or Percocet, and illegal drugs like heroin.
Concerned about someone's use?

Get free naloxone and learn how to use it
