

OPENING

BOARD DIRECTOR

Seeking a Board Director for the Xat'süll Development Corporation

The Xat'süll Development Corporation ("XDC") is a non-political, for-profit business entity mandated to create wealth and opportunity for the Xat'süll First Nation and its members. XDC is structured as a limited partnership and has four Director positions which are appointed by the Xat'süll First Nation, Chief and Council.

The Xat'süll traditional territory is rich in natural resources and provides opportunity within agricultural, forestry, construction, mining, pipeline, and utility sectors. XDC has managed forest licenses and has formed various partnerships to engage in projects and opportunities within the territory.

XDC intends to diversify its services and grow its income base. Therefore, we are seeking an energetic and creative Director with experience in business development and partnership development who have proven leadership and governance experience to join our team.

The Board provides policy-governance and oversees the Chief Executive Officer, XDC. Directors foster medium and long-term growth by providing strategic advice; monitoring business performance and progress towards strategic goals; overseeing financial reporting and risk management; and steering shareholder relations.

The Board meets every second month but will call special Directors' meetings when required. Directors receive a modest meeting fee as well as reimbursement for travel expenses.

Qualifications

- Candidates should have demonstrable experience in a policy-governance model and in overseeing senior management via this model.
- Candidates should be committed to XDC and have a genuine interest in working to advance our economic development goals.
- Candidates should have excellent communication skills, including the ability to build effective relationships with stakeholders, shareholders, government, and senior management.
- Candidates should have a working familiarity with the geographic region (Williams Lake).
- Forestry, mining, utilities, and agricultural experience is an asset.
- Financial competency and the ability to read and interpret financial statements is an asset.
- Experience working with First Nations is an asset.

Short-listed candidates will be asked to provide three professional references. Appointees must consent to a Police Information Check.
