Pelltitéqem (cross-over month; first real cold) – December

Cultural Nights

Our vision for Cultural Night is to create a safe and welcoming space for members to come, socialize, and learn about wellness and culture. We have Barb Wycotte and Mary Harry from Three Corners who alternate each week with Torie Lee, a Master Herbalist that co-host with our staff Betty Price and Maxine Sellars.

We have done beaded poppies with Barb and Mary. This past week they did tobacco tie teaching and smudging. We have snacks and drinks that are provided as well as all the materials needed for what we are making.

With Torie Lee, we have watched her presentation, made garlic

and onion honey cough syrup. We also made elderberry syrup and hearts' ease syrup. The elderberry syrup is used for immunity, it's a cough, cold and flu medicine. The hearts' ease syrup is used for grief. Both can be used like a syrup for pancakes, etc. As well, can be mixed with a club soda for a refreshing drink.

The nights have been full of stories and teachings that come from the members as well. We find that these evenings have healing quality by sitting in a circle and concentrating on the craft or medicine at hand. It brings connection that we need and looking for. Our intention is to have teachings about

traditional medicines using the plant medicines in our own territory. To have the medicines that we make available at the Health Station for our members to access and use. This has been brought to our attention by members and by our health survey.

We encourage our members to participate even if you can only make an hour of it. We will have it every Tuesday of the month except when specified when we are not having a program. We want to create a consistent program. Watch for our posters on Facebook, our app and our website, and we hope to see you at the culture nights.

New Housing Construction Projects

Triplex at 4058 Mountain House Road. The new triplex will feature two two-bedroom units and one three-bedroom unit. Each unit will be approximately 1,000 square feet in size. Demolition on the old site started on August 15 and construction began in early September. Due to favourable weather, we have made great progress on the project, and as a result are expected to

reach the lock-up stage ahead of schedule, before the Christmas break. Project completion will be in Spring 2024.

Fourplex at Lot 3 Xatsull Townsite Road in Soda Creek. Each of the four units in the fourplex will be 1260 square feet with three bedrooms. The foundation was completed mid October and work is currently in progress on the

retaining wall at the rear, which will be finished by the end of November. The project is scheduled to reach lock-up by mid-winter and completion by early Summer 2024.

For any questions, please contact Housing Manager Simon Bett at housing@xatsull.com or 250-9892323 ext. 103.

December Chief's Report

Weyt-kp xwexwéytep (Hello everyone), I hope you are doing well, and are ready for the holiday season. For myself, I am not quite prepared, but it always seems to work out.

December has crept up on me. Fall has come and gone, and I realized I have not submitted a newsletter report in awhile. The past couple of months have been very busy. I continue to focus on relationship-building and learning as much as I can. If you would like to know about the meetings I have attended, please do not hesitate to contact me, and I can share that with you.

We are excited to announce that Xat'súll First Nation will be hosting the 2024 NStQ Citizen's Assembly held in Williams Lake. The theme is "To Be Secwepemc". XFN will be putting together a committee to help plan the event, so if you are interested, please join the team. We want to showcase Xat'súll and all that we have to offer. We need your ideas.

On that note, we are also working

towards more community engagement. So, I hope you can attend the sessions that are held within the community. We understand that we have many away from home members as well and want to ensure that we hear from everyone. So please do not hesitate to reach out to our administration team, as well as our Council if you have any questions or want to know what is coming up for events or engagements. We are making changes, and it is important that our membership is involved. We want to ensure we are including more ceremony and cultural practices, and if you are able to provide support, we need you.

Our goal for the New Year is to create an Elders' Council. This is still in the preliminary planning stages, but it is something on the horizon. A posting will come out in January 2024.

You may have noticed that the new fence has been installed at the graveyard. At the request of the elders, the old wood fence will be burned once it starts to snow. If you can come out and support the team when they burn the wood, please do so. We want our members to be able to gather and share stories as we take care of our community.

The "Election Code Survey" is out, and we ask that you

please take time to provide your input. If there are any questions regarding the survey, or you need assistance in completing it, please do not hesitate to reach out to the administrative team.

Council and I will be at the Open House on December 5th, 2023, at 5:30 pm. We hope that you join us as we follow up on the rest of the questions that arose at our last session, and to meet with our XFN team.

The Community Christmas Dinner will be held in the evening on December 13th, 2023. We are looking forward to beginning our holidays by celebrating with you. I am excited to connect with everyone.

We are looking for members to join the Likely Xat'súll Community Forest Board, and the Three Corners Health Services Society Board. If you are interested, please apply, or forward the poster with someone you think would be interested.

Please do not hesitate to contact me at chief@xatsull.com, if you have any questions. Wishing everyone a memorable holiday filled with laughter and love.

Keegan Follack Youth Coordinator

At the end of October, we celebrated Halloween with a dance party where so many people got into the spirit and dressed up in their costumes! Our youths helped prepare a few games and the kids (as well as some brave adults) participated in our sensory guessing game. The food was very clever and was Halloween themed, deviled eggs

that resembled bloodshot eyes, coffin-shaped sandwiches and adorable bat cupcakes. To finish the evening, everyone headed outside with their goodie bags to watch the fireworks. Thank you to the 13–19-year-olds for helping paint and create our games for the Halloween dance.

One of our requested events from the older youth was to get manicures or pedicures. We spent an evening at Pampered Lashes and Pedis where Marie had a chance to experience her very first manicure ever! During the 19-29 age range events, we always keep

our programs kid-friendly, and anyone is welcome to bring them if that means you can attend. We are excited to announce that the 6-12 year-old events and Pro-D Days are now open to 5-year-olds. This age range enjoyed string crafts, playing with clay, laser tag and baking this month. Our 13-19 year-old youth loved going to the theatre. We saw 2 films and had such a great turnout with 11 participants for the second one. If you need a ride to be able to attend our events, feel free to reach out to Keegan Follack at youth@xatsull.com with a two day

Xatsūll Harvest

by Roxanne Pop - Hydroponic Farmer

What is in that sea-can? What is that metal box for? Do you know why that thing is over there?

Over the past 10 months, our sea-can, Xatsūll Harvest, has created a great deal of curiosity for community members!

The response to these questions is simple. We have been trying a new technique in farming called hydroponic farming. Xatsūll First Nation is among the first community to take advantage of this new technology and embark on a grand opportunity.

Hydroponic farming allows us to grow more produce faster, at any time of the year. The farm harbors two tanks that cycle the same nutrient filled water several times a day. Additionally, there are LED panels that will give the plants the exact light that they require, for as long as we need them to.

Throughout our time with the sea-can, we have been smoothing out our plan, and solving a few bugs (literally). I worked in a nursery, and watered plants previously. I have not run a system that times itself and requires water measurements so that it does not flood. I have however, collected water samples and taken pH readings. I never previously needed to make sure the system knew I wanted to calibrate the pH sensor so that it wouldn't spit nutrient water at me. Previously, on many occasions, I replaced light bulbs, but nothing has prepared me to replace LED panels. Choosing which plants should work well together, comparing what temperatures they prefer, their nutrient intake, how much light they get. All this preparation over the past nine months, and it still feels like I am

just beginning. We've already come across some (super tiny) gnats that accompanied the growing media, so we baked all the growing media. Seriously! Then as if on cue, the plants started experiencing nutrient deficiency. There are many variables, but we decided to flush the nutrient water and start over (no seedlings were purposely harmed). As we move forward, we will continue to learn what doses the plants require. This is just the trial run! Changes will be made as we go, and we will reap the rewards in the future. Results?? To be determined: December 13!

Seeking Board Director

THREE CORNERS HEALTH SERVICES SOCIETY

Xat'sull First Nation is currently seeking a Community Member to join the Three Corners Health Services Society Board of Directors.

Three Corners Health Services Society (TCHSS) is incorporated pursuant to the provisions of the Societies Act of B.C. Its affairs shall be managed by a Board of Directors, which shall consist of two representatives from each of the three Communities it represents (Xat'sull, Stswecem'c Xget'tem, and Williams Lake First Nations). The three Chiefs of each community are considered members and will appoint Board members for their community. A Band Council Resolution will support the appointment.

The individual appointed to the position will be responsible for:

- regularly attending Board Meetings and ensuring the Executive Director is informed when unable to attend due to the requirement of a four-person quorum;
- adhering to the Board of Director's Code of Conduct (Policy A-2);
- acting as a signing authority for the Society;
- setting policy and establishing goals for the Executive Director to achieve;
- evaluating the performance of the Executive Director;
- providing guidance to the Executive Director;
- maintaining a professional relationship with staff;
- ensuring adequate financing of the organization and money is spent in a responsible manner;
- actively supporting the organization and its Executive Director;
- holding the Executive Director accountable for the management and operation of the organization;
- making a written plan that outlines the long-term goals of your organization;
- complying with relevant legislation;
- ensuring there are appropriate internal financial controls;
- assessing the Board's performance;
- planning for succession of Board Members and the Executive Director;
- ensuring openness with each other, taking responsibility, and providing a clear voice readily understood by all, in the decision-making processes of the Board;
- managing the affairs of the organization and applying the by-laws of the organization;
- working diligently to provide the leadership and direction in terms of concrete actions and attitudes required by the organization to be effective and successful;
- keeping Xat'sull First Nation Chief and Council informed on a regular basis.

Application and Deadline: Open until filled.

Please submit your Cover Letter & Resume to Devon Elliot, Executive Assistant to the Chief.
Via email at chiefexecasst@xatsull.com, fax: 250-989-2300

LIKELY XATS'ULL COMMUNITY FOREST BOARD DIRECTOR

Seeking a Board Director for the Likely Xats'ull Community Forest

The Likely Xats'ull Community Forest is a collaboration of community members between Likely and Xats'ull First Nation in creating a model multi-use forest that ensures environmental quality while creating economic opportunities.

BOARD RESPONSIBILITIES:

- setting and reviewing policy for the organization;
- protecting the interests of Xats'ull First Nation;
- regular consultation and communication with and between the communities;
- supporting quorum by regularly attending and actively participating in Board meetings;
- supporting the financial health of the organization and approving the annual budget;
- annually setting goals and objectives, producing an operational plan, and providing strategic direction.
- holding an AGM to review the annual financial statements and file the legally required returns to the appropriate Ministries to retain Non-Profit Organization (NPO) status;
- reviewing and approving recommendations from ad hoc committees;
- coordinating the work of the Board;
- hiring and directing the General Manager and other contractual personnel as required;
- maintaining active Membership in the British Columbia Community Forest Association (BCCFA);
- meeting with other Community Forests for networking and educational development; and
- reporting back to Xats'ull First Nation, Chief, and Council.

Qualifications

- is a full-time resident of the Xats'ull First Nation.
- 19 years or older.
- must not be living in the same household as a permanent Nenqayni staff member.
- must not be a person prohibited by the By-laws of Nenqayni;
- must not use alcohol or drugs.
- demonstrable experience in a policy-governance model and in overseeing senior management via this model.
- committed to the Nenqayni Wellness Centre Society and genuinely interested in advancing the Society's economic development goals.
- excellent communication skills, including building effective relationships with stakeholders, shareholders, government, and senior management.
- financial competency and the ability to read and interpret financial statements is an asset, and
- experience working with First Nations is an asset.
