

CITIZENS' ASSEMBLY DRUMMING PREPARATION

Would you like to be a part of representing our community as the host of this year's Citizens' Assembly this May?

Join us in learning and practicing 2 songs on drums to perform at the Citizens' Assembly. All are welcome and youth are highly encouraged to participate. Please bring your own drum if possible. We have spare drums if needed.

We will meet **every Thursday** night at Head Start until the event, **5 - 7 p.m. starting April 4**, to practice.

You can join via zoom if you can't make it in person. Food will be provided, and you will receive an honorarium for your participation at the assembly.

Please reach out to Keegan at youth@xatsull.com if you are interested.
