

# Healing Touch

WITH KRISTINE JENSEN

**OCTOBER 9, 2025**

**9 AM - 4 PM**

**XFN Community  
Services**

Healing Touch, a gentle, non-invasive biofield therapy, is a relaxing, nurturing, heart-centered energy therapy that uses gentle, intentional touch that assists in balancing physical, emotional, mental, and spiritual well-being.

It is done by using non-invasive techniques that clear, energize, and balance the human and environmental energy fields, supporting a person's inherent ability to heal. It is safe for all ages and works in harmony with standard medical care.
