

XAT'SŪLL PREVENTION PLAN

Questionnaire

Xat'sūll First Nation is creating a new Prevention Plan to build stronger supports for our children, youth, and families. This plan will help shape future programs and services based on what really matters to our community.

We want to hear from you!

Your voice will help set the priorities, show where support is most needed, and make sure the plan truly reflects our values and lived experiences.

All *responses are confidential and anonymous.*

Together, we can build a healthier, more connected future for Xat'sūll.
