# EMERGENCY PLAN MEETING

## *Community Discussion Session*

This session is intended to support open discussions on emergency management experiences, priorities, and opportunities within Xats'ull. Community input will help guide the development of Xats'ull's Emergency Management Plan, including:

- Emergency roles and responsibilities
- Communication and information sharing
- Evacuation and evacuee support planning
- Coordination with local and regional partners
- Areas needing clearer guidance or processes
- Future emergency management priorities
