DOCUMENTARY NIGHT

Come join us at the Xatśūll Gym for an evening of thought-provoking documentaries, conversation, and light snacks.
We will be screening two documentaries:
“The Myth of Environmental Remediation”
“The Myth of Environmental Responsibilities”
Both documentaries will provide information and background to help you better understand the issues and prepare questions for the upcoming community ‘End Land Use Planning’ meeting with Mount Polley Mine on October [date to be determend].
Come learn, listen, and prepare for an important community conversation.

New date !

November 4, 2026

5:30 PM
XFN Gym

XATŚŪLL FIRST NATION

DOORS OPEN AT 5:30 PM
